

Certificate of Analysis

Product Identification

Catalog number HB3262
Compound name DMSO (Sterile filtered)
Chemical name Dimethylsulfoxide
Batch number E2408-1-1
Batch molecular formula C_2H_6SO
Batch molecular weight 78.13
Source Synthetic

Chemical Structure

Method	QC requirement	QC Result
Purity	≥99%	Meets specification: 100%
Colour	Colourless	Meets specification
Visible Particles	Free of visible particles	Meets Specification
Sterility Test	Sterile	Meets Specification
Pyrogen Test	Free of pyrogens	Meets Specification
Endotoxin (LAL)	<0.05 I.E./ml	Meets specification
Mycoplasma Test	Free of mycoplasma	Meets specification
