

Certificate of Analysis

Product Identification

Catalog number HB5608
Compound name Cresyl violet solution
Batch number E2057-1-1

Chemical Structure

Method

Physical appearance

QC requirement

Deep purple solution free of any insoluble particles

QC Result

Meets specification

Produced by Richard Patterson

Signature

A handwritten signature in black ink, appearing to read 'R. Patterson'.

Passed by Steve Roome

Signature

A handwritten signature in black ink, appearing to read 'S. Roome'.

Date

07/09/2022
