

Certificate of Analysis

Product Identification

Catalog number HB5608
Compound name Cresyl violet solution
Batch number E2860-1-1
Origin Synthetic

Chemical Structure

Method

QC requirement

QC Result

Physical appearance	Deep purple solution free of any insoluble particles	Meets specification
Solubility	Soluble in water	Meets specification

Biological validation

Produced by Richard Patterson

Signature

Passed by Steve Roome

Signature

Date

10/12/2024
