

Certificate of Analysis

Product Identification

Chemical Structure

Catalog number	HB6189
Compound name	Hematoxylin (Modified Mayer's) Solution
Batch number	E2056-1-1

Method

QC requirement

QC Result

Physical appearance

Dark red solution free of any insoluble particles

Meets specification

Produced by Richard Patterson

Signature

Passed by Steve Roome

Signature

Date

01/09/2022
