

Certificate of Analysis

Product Identification

Catalog number HB9475
Compound name Picro Sirius Red Solution
Batch number E2391-1-1

Chemical Structure

Method

Absorbion
Physical appearance

QC requirement

λ_{MAX} = 525-535 nm
Red solution free of any insoluble particles

QC Result

Meets specification: 528 nm
Meets specification

Produced by Richard Patterson

Signature

Passed by Steve Roome

Signature

Date

02/10/2023
